

homes**etc****LIVING ROOM**

Rick and Craig painted the walls white to create the perfect backdrop for their art. They bought this photograph in Australia. 'It was a stroke of luck that it fits perfectly above the sofa,' says Rick, but if you're splashing out on a new painting, he recommends trying it out in your home first. 'We've done that with other pieces. Lots of shops and galleries will let you try before you buy.'

Get the look The sofa and Saarinen Low Oval coffee table are by Knoll. The artwork is Rosemary Laing's *Groundspeed (Red Piazza) #4*. For similar cushions, visit John Lewis.
